

Monday 6th February 2017

Dear Parent/Carer,

Year 5 children will be visiting the National Coal Mining Museum, Wakefield, on Tuesday 7th March, 2017. The trip will supplement the children's learning in science (about changes to state and separating materials), in History (about how the local area's industry has changed) and in English (writing stories with a flashback).

The children will need to arrive at school at the usual time 8.55am. We expect to arrive back at school at 3.15pm.

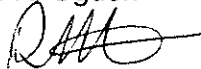

Please send your child in their usual school uniform, appropriate footwear and warm coats as we will be outside for most of the day and will also be taking part in an underground tour. Your child will require a packed lunch and a drink for the day, remembering not to send children in with fizzy drinks. (if your child receives free school dinners, a packed lunch will be provided by the school).

If you wish for your child to take part in this visit please pay a voluntary contribution of £7.25 using Parent Pay no later than Wednesday 1st March 2017

Many thanks for your continued support.
