

I would like to take this opportunity to thank all parents and families who have been able to join us in the events we have held in school over the last term. The children have thoroughly enjoyed our arts week and science week and it makes it all the better to have family involved.

The children are all ready for a well deserved break but we look forward to seeing them all back after Easter ready for more exciting learning opportunities.

I would also like to remind parents of Y6 and Y2 children that the SATs tests will be taking place next half term. Y6 SATs week is the week beginning **the 8th May** and we request that children have no absence during this week, which is set by the government. Both year groups have been working extremely hard over the last year and we are very proud of them. We want to make sure they all show off their amazing hard work during this time.

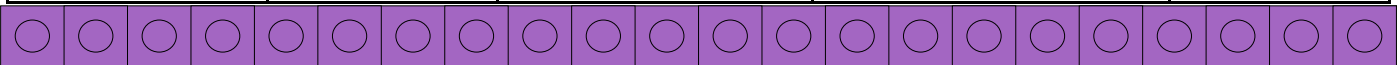

This term we are saying Goodbye to Mrs Whincup in Year 2, who is leaving to spend more time with her family and Mr Rutter, who has relocated back to his family roots in Durham. We are sad to lose both members of staff but we wish them well with their new endeavours.

Summer uniform (purple dress, white socks, black shoes) may be worn after the Easter holidays until the academy closes in July.

DATES FOR DIARY

| Science—Kyle Tomlinson | PSHCE—Lilah Froggat | Music—Charlie Sidebottom |
| Computing—Isaac | Art—Ellie Brett-Jones | R.E—Keiran Tomlinson |

After Easter a new initiative will be launching during lunchtimes called the Daily Mile. The children will be taking part in a 15 minute session which will involve them walking, jogging or running around the school field or MUGA. This is to encourage children taking part in physical activity, living a healthy lifestyle and most of all having fun and enjoying taking part. Key stage One will be doing their session for the first 15 minutes of lunch time and key Stage Two will be for the last 15 minutes of lunchtime. Children will have a log book which will allow them to collect their miles and then children will be rewarded with a certificate for taking part and reaching certain landmarks. The children will be taking part every day and will be doing the session in their uniform. The children can change their footwear if they need to, but they don't have to change. Let's get running!
