Victorian England

Dear Parent/Carer,

During this half-term Year 1 have been learning about how things change over time and what it was like for children in Victorian England. We have learnt about Queen Victoria and HRH Queen Elizabeth II.

To celebrate the end of our topic we are planning a Royal Garden Party to be held next Friday 26th May. Children are invited to come to school dressed as a king or queen for the day.

Looking forward to seeing all of our wonderful kings and queens.

Thank you for your co-operation
