Dear Parent/Carer

Re: Breakfast Club – on Parent Pay from January 2018

In order to become a completely cashless school we are going to put Breakfast Club on Parent Pay with effect from January 2018. You will be able to pay for one session or several, the lower limit being 50p with no maximum. Please find attached to this letter a barcode letter to pay for Breakfast Club on Parent Pay.

Breakfast Club is 50p per day for children, other than for children on free school meals when it is free. Please note this is not to be confused with universal infant free school meals, applicable to all foundation to year 2 children. If you are in any doubt about whether your child is on free school meals, please see the office who can check for you or help you to apply if you think you may be eligible.

Your child's Parent Pay account must be in credited in advance of attendance at Breakfast Club as no debt will be allowed for this.

Thank you for your support.

Yours sincerely,

Mrs G Kilner
Principal
