

Dear Parents/Carers,

Later this year, your child will be competing in one of our newest, and most exciting, Outwood Primary inter academy sports competitions – 'The Tour de OPA' cycling time trial. This event is held on the same week that the Tour de Yorkshire travels through our region and it is our intention to inspire your children to hopefully gain an interest in a large variety of sports and live an active/healthy lifestyle. We also hope that it inspires your child to watch the spectacle live over the weekend and enjoy a national event held in our county.

This competition will be held on:

- **Friday 27th April 2018 for Year 1 & 2 (KS1)**
- **Friday 4th May 2018 for Year 3, 4, 5 and 6 (KS2)**

The locations for the competitions will be:

- **KS1 – OPA Littleworth Grange (Barnsley) & OPA Lofthouse Gate (Wakefield)**
- **KS2 – OPA Littleworth Grange (Barnsley) & OPA Ledger Lane (Wakefield)**

To make this event a success, we are asking for the support of children and families who own a bike and safety equipment (helmet). We are kindly asking for 8 bikes and helmets that can be used for each child to record their quickest lap around a time trial set out across our school grounds. The bikes will be supervised by teacher/adult at all times and will be used with the highest levels of care and respect.

If your child attends one of the above academies and you permit your child to bring their bike to school, and allow others to use it, please complete and return the slip below ASAP.

.....
I permit my child _____ Class _____

to bring their bike and safety equipment to school for the Tour de OPA competition. I also permit the use of this bike and equipment by other children.

Signed _____
