Friday 10th September 2021

Dear Parent/Carer

Year 1 Geography Trip: The Local Area

As part of our current Geography unit 'The Local Area', the children will be experiencing the local area of Lundwood and Dearne Valley park. The children will be focusing on the human and physical features of the local area, taking in the views and the wildlife. This will give the children a fantastic opportunity to get hands on with geography and improve their map skills.

On Thursday 16th September, the children will leave school at 1:10pm and return by 3pm. Children will need to be in full school uniform but please also consider the weather conditions on the day ie suntan lotion and a hat or a water proof coat! The children will also need their water bottles.

We will need permission from a parent or guardian before the end of the school day on Wednesday 15th September for the children to take part in the trip.

If you have any questions in relation to the visit, please feel free to contact either myself or Miss Burroughs via the school office.

Kind regards

Mr Brightmore

Assistant Principal
