

Dear Parent / Carers

On Monday the 18th July Nursery are having a beach themed day to celebrate their hard work throughout the year.

Our topic this term has been 'Under the Sea.' We have been learning about sea creatures, and the seaside along with reading stories about Mermaids and Pirates. On Monday the 18th children can come to school in a beach theme costume. This can be anything from shorts and t-shirts or pirates and mermaid costumes.

During the nursery session, the children will be dancing to seaside music, creating beach pictures, designing their own beach huts or buckets, as well as having yummy ice creams with delicious strawberries which the children have grown in the nursery garden as part of our diploma.

We cannot wait to celebrate together.

Kind Regards

The Foundation Team.
