

28th January 2022

Dear Parent/Carer,

Year 2 Diploma Trip: Bird Watching

As part of our Diploma week, the children will be experiencing the local area of Lundwood and Dearne Valley park. The children will be focusing on the different species of birds we can see within the local area. This will give the children a fantastic opportunity to get hands on with their local environment and the animals that live here.

The children will leave school at 1:10pm and return at 3pm on Monday 7th February.

If you **do not** want your child to attend this school trip, please contact school via the main office.

On the day children will need their water bottle and a coat, weather permitted.

Kind regards

Miss S Helme

Year 2 Classteacher
